COLLAPSE

dances a dance of joy

I know, I know, it won't help much right away, it can be overturned, and then anybody's who's come out will be ousted, and even once it is overturned, lots of people in the military will stay closeted anyway, and all of that. But dammit, it's progress.

COLLAPSE

Pictures veins throbbing in various senior military and retired-military foreheads, complexions slowly reddening towards apoplexy.

Smiles.

About damn time. The one gay guy on the old Ustafish who was a problem was a problem because he was incompetent, not because he was gay.

(Yeah, yeah, people in the closet are more vulnerable to blackmail, security risk, yadda yadda yadda. The solution to **that** problem is to make the closet unnecessary.)
